

Higher Fisheries Education in India

- Higher education in fisheries science is organised as 4 Years BFSc, 2 Years MFSc and 3 to 5 Years PhD programs
- 27 Colleges offer **BFSc** is a 4 year professional degree program offered in as on AY 2018 - **1005 seats** while a dozen Colleges offer **MFSc and PhD** programs with **385 and 165 seats** : *ICAR/UGC governed*
- In addition, several general Universities offer multitude of Programs related to fisheries and aquaculture across India : *UGC governed*
- Need to map the **students profile** to make **learning more relevant & ensure *gender equity*** among others
- National level study funded by ICAR-Education Division

Students' General Profile

- All India level study conducted across **20 Fisheries Colleges** covering **1063 students (2016-17)**
- **42.36 %** of the students were **girls**
- Around two-third (**59.32 %**) of students hailed from **rural areas** while **26%** belonged to SC/ST category
- **52%** had their schooling with medium of Instruction **other than English**
- Most students (**72.71 %**) hailed from households with annual income of **< 2 lakhs**

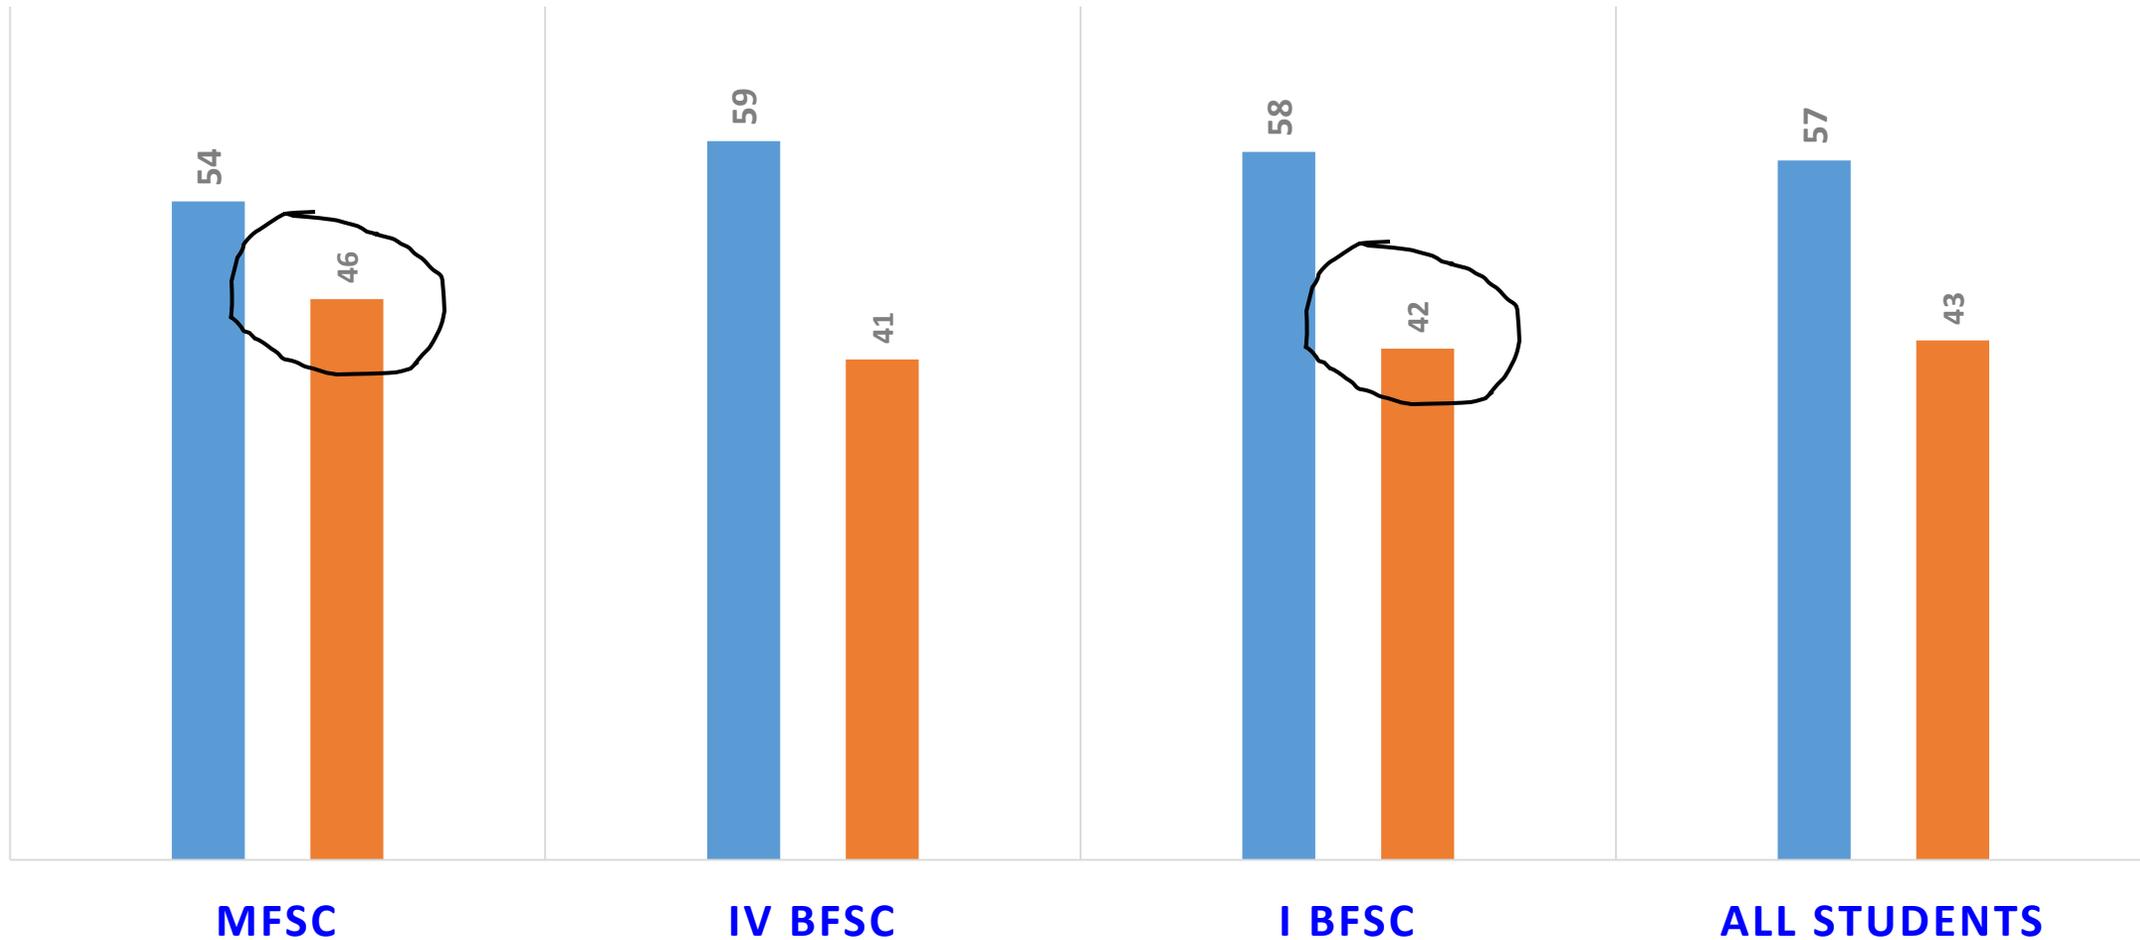

| PERSONAL INFORMATION | |
|---|---|
| 2.1 Name (Surname) | |
| 2.2 Gender | Male () Female () |
| 2.3 Age (in completed years) | |
| 2.4 Mother's highest education | OTHER/PHD/12/10th/PHD/12 |
| 2.5 Mother's Tongue | |
| 2.6 Other Language spoken | |
| 2.7 Medium of School Education | (1) English medium (2) Other (Specify) |
| 2.8 School Status | Government () Unaided () |
| 2.9 Are you economically disadvantaged? | Yes () No () |
| 2.10 Annual Family Income (INR) | (1) < 1 lakh (2) 1-2 lakhs (3) 2-3 lakhs (4) > 3 lakhs |
| 2.11 No. of siblings present in family | (1) 0 (2) 1-2 (3) 3-4 (4) 5+ |
| 2.12 Father's Educational Qualification | (1) Graduate and above (2) Below Graduate (3) Below High School/Secondary (4) No formal education |
| 2.13 Father's Occupation | |
| 2.14 Mother's Educational Qualification | (1) Graduate and above (2) Below Graduate (3) Below High School/Secondary (4) No formal education |
| 2.15 Mother's Occupation | |
| 2.16 Religion and caste category | (1) Scheduled Caste (2) Scheduled Tribe (3) Other Backward Class (4) Other |
| 2.17 Your BfSc College Name & Place | |
| 2.18 Your Home Phone | |

| GENERAL PREFERENCE AND OTHER INFORMATION | |
|--|----------------|
| 3.1 Parents' consent for letting BfSc course | Yes () No () |
| 3.2 I would recommend BfSc course to others | 1 2 3 4 5 |
| 3.3 I consider BfSc as an off-the-professional degree | 1 2 3 4 5 |
| 3.4 I am interested in pursuing BfSc degree with other professional degree | 1 2 3 4 5 |
| 3.5 I am not interested in pursuing the BfSc course | 1 2 3 4 5 |

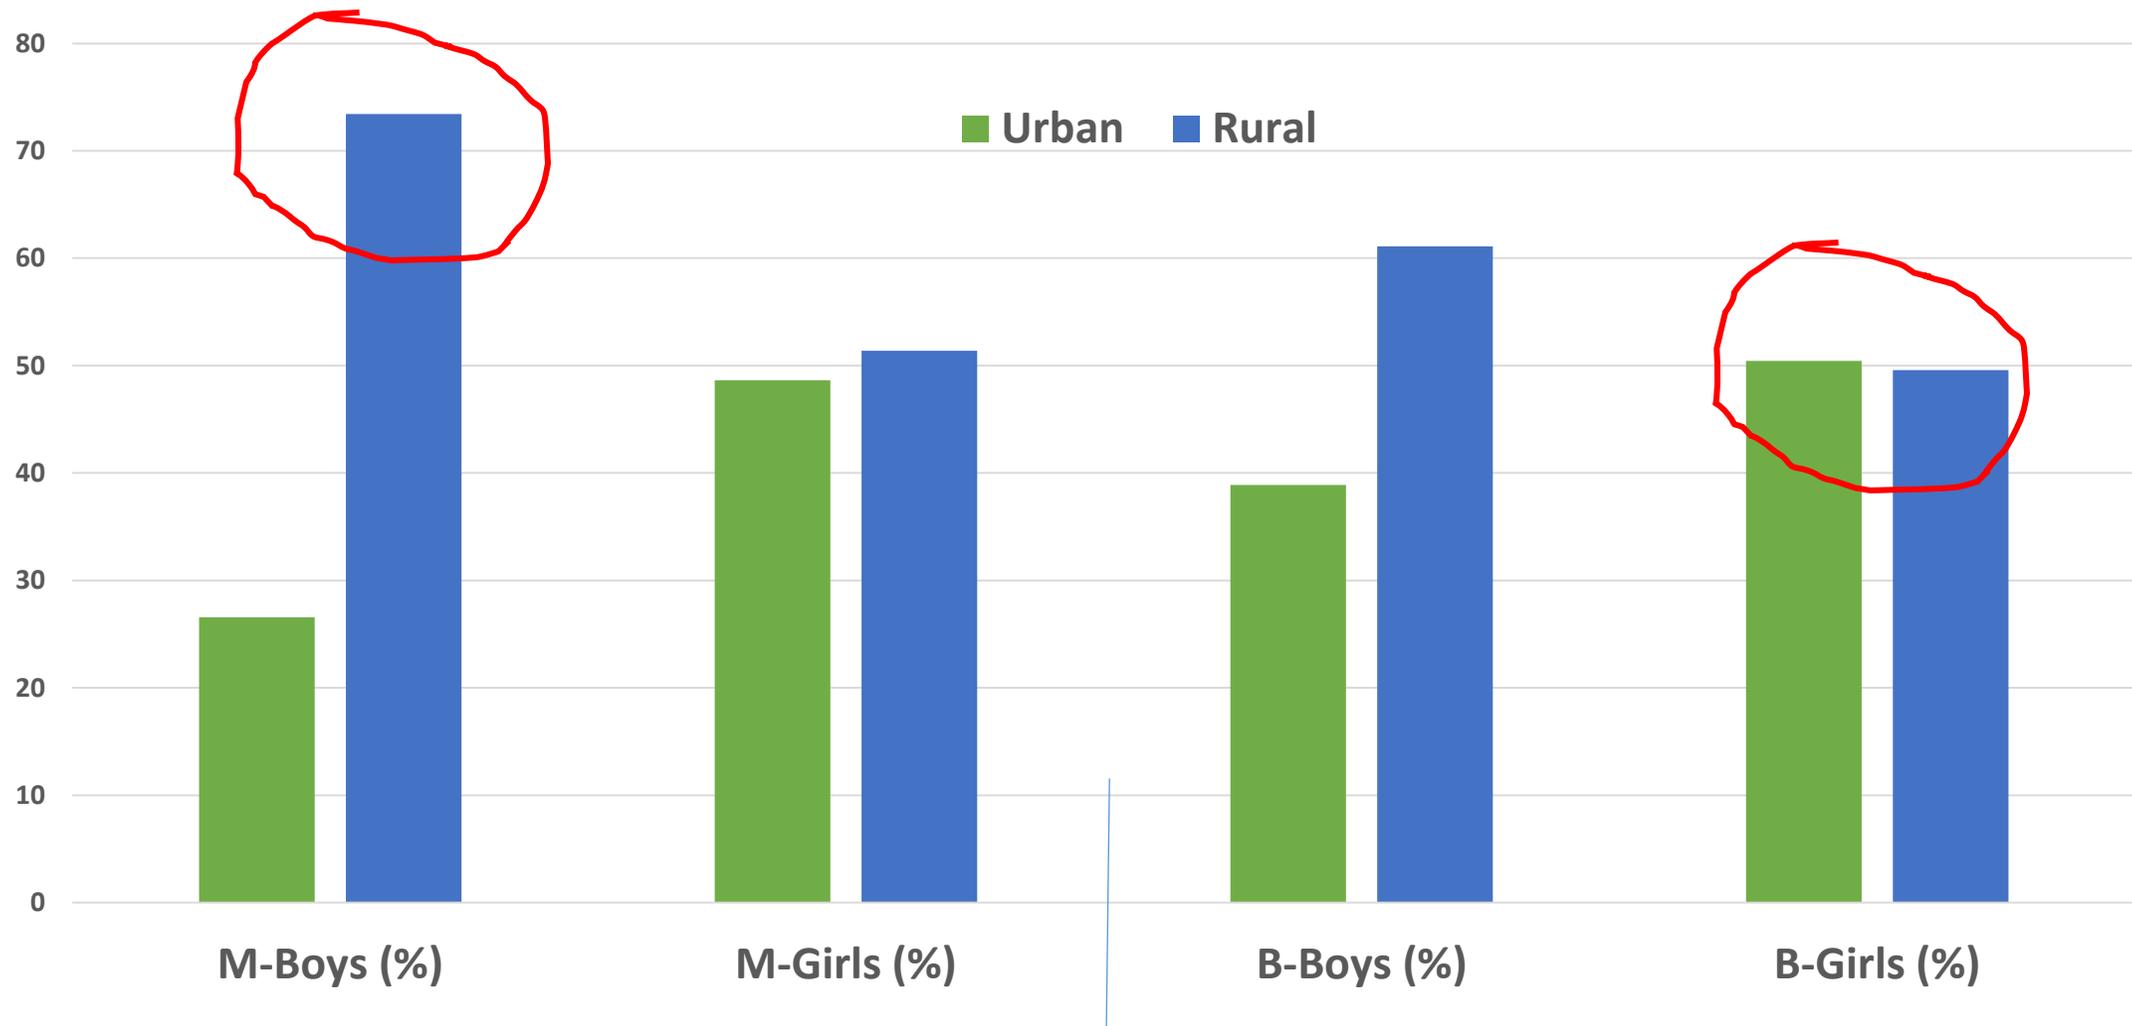

Composition of Fisheries Students Surveyed

(N=1063)
MFSc: 237
IV BFSc: 268
I BFSc: 558

Boys (%) Girls (%)

Reason for Joining Fisheries Science Program

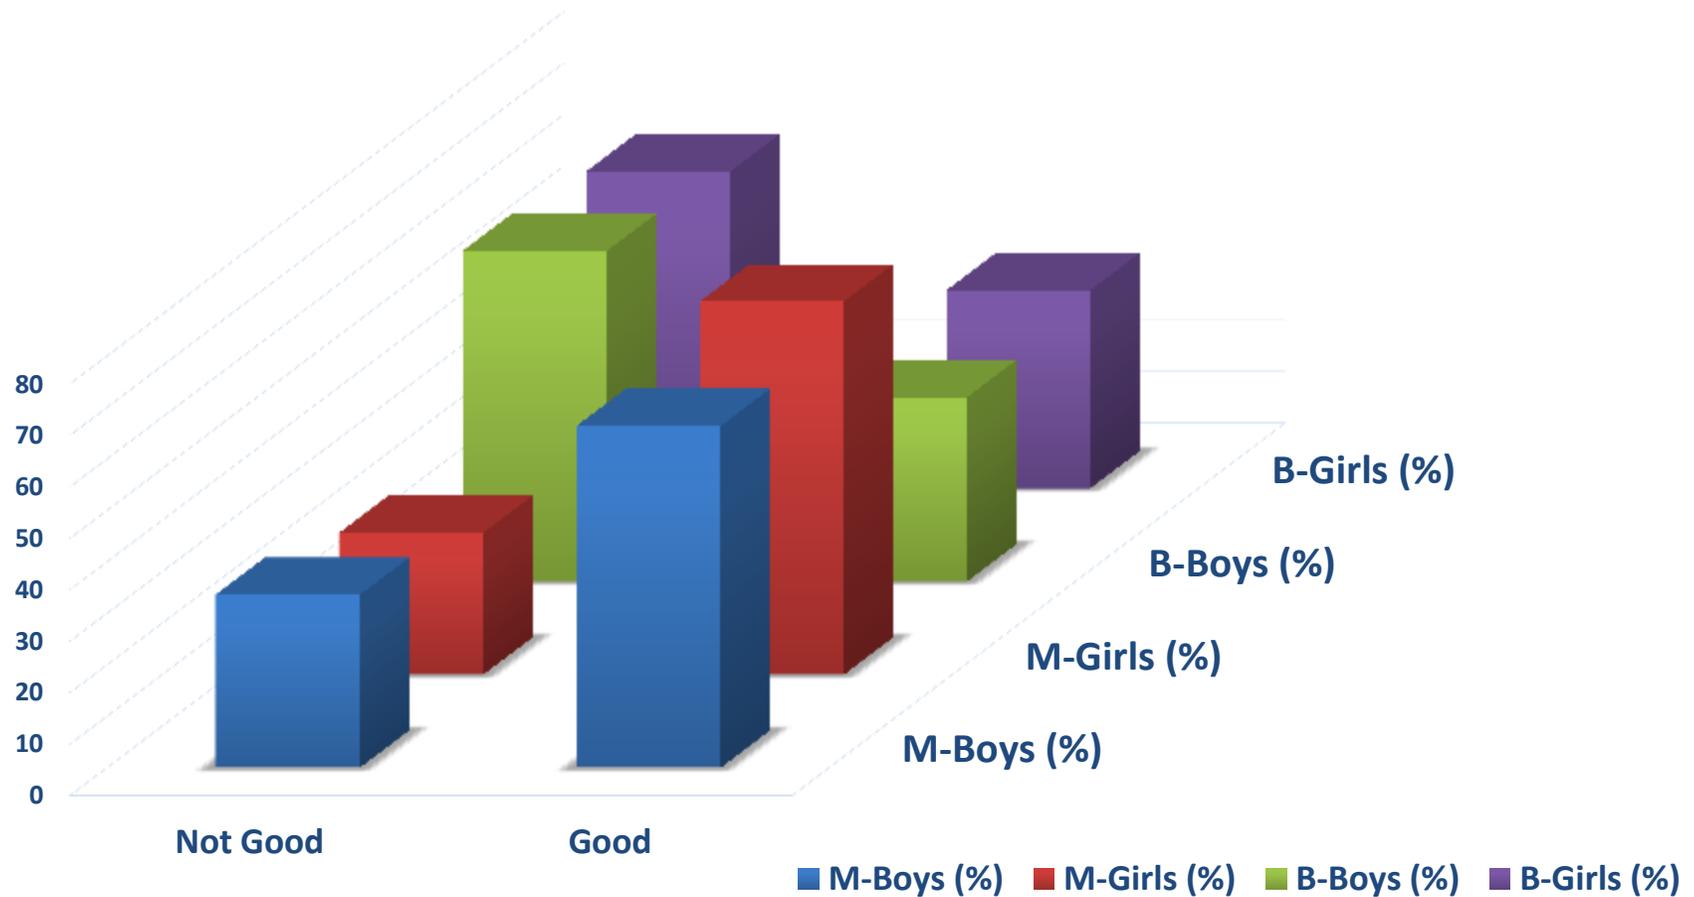

Fair and Equal Treatment of Boys & Girls in College: *What students perceive?*

Will they pursue higher studies in same College/University?

Prospects of getting a job after graduation

Employable Skills Perception Index (ESPI)

N=1063

| ESPI Category | Students Perception (%) | Teachers Perception (%) |
|------------------------------|-------------------------|-------------------------|
| Poor / Low (<0.33) | 0.28 | 2.3 |
| Average / Medium (0.33-0.66) | 54.67 | 73.3 |
| Good / High (>0.66) | 45.04 | 24.4 |
| <i>ESPI Mean Score :</i> | <i>0.66 (66%)</i> | <i>0.57 (57%)</i> |

- **Masters & PhD students had significantly higher ESPI score** than BSc (Final/First) students
- Both **girls and boys had similar ESPI score**
- **Neither household income nor rural/urban background** significantly influence students ESPI score
- Teachers' qualification, cadre and gender **didn't affect their perception of ESPI**

Student Expectations

- **55%** of students don't want to continue their higher studies in same College/University
- **61%** students expect more than **₹ 30,000 as starting salary** in first job; expectations of both boys and girls were *similar*
- Students *rated Course Curriculum (58%) and Infrastructure (51%) as average*, and feel as not adequately imparting practical / employable skills

Panel Data Analysis of CIFE Students Career (1995-2015)

Methodology

- **Data :-**

- **1995-97 to 2015-17 batch : 1186 M.F.Sc Students**

- **1997-00 to 2017-20 batch : 764 Ph.D students**

- **Total Data sets = 1950**

- **Data Sources :-**

- **CIFE Alumni directories**

- **Facebook (Alumni association, Individual accounts)**

- **Alumni details from different Divisions**

- **Personal phone calls and interaction with key informants across various batches**

- **Challenges faced during data collection :-**

- **Since data is collected from 1995 onwards, Discipline wise data availability became a major challenge**

- **Specially for Mariculture and Inland Aquaculture students, who studied at CMFRI and CIFA, it was time consuming to collect reliable data**

Students details –

Total M.F.Sc Student
= 1186 (Male-833,
Female- 353)

Successful Students
= 1108

Discontinued =74

Expired = 4

Total Ph.D students =
764 (Male-535,
Female- 229)

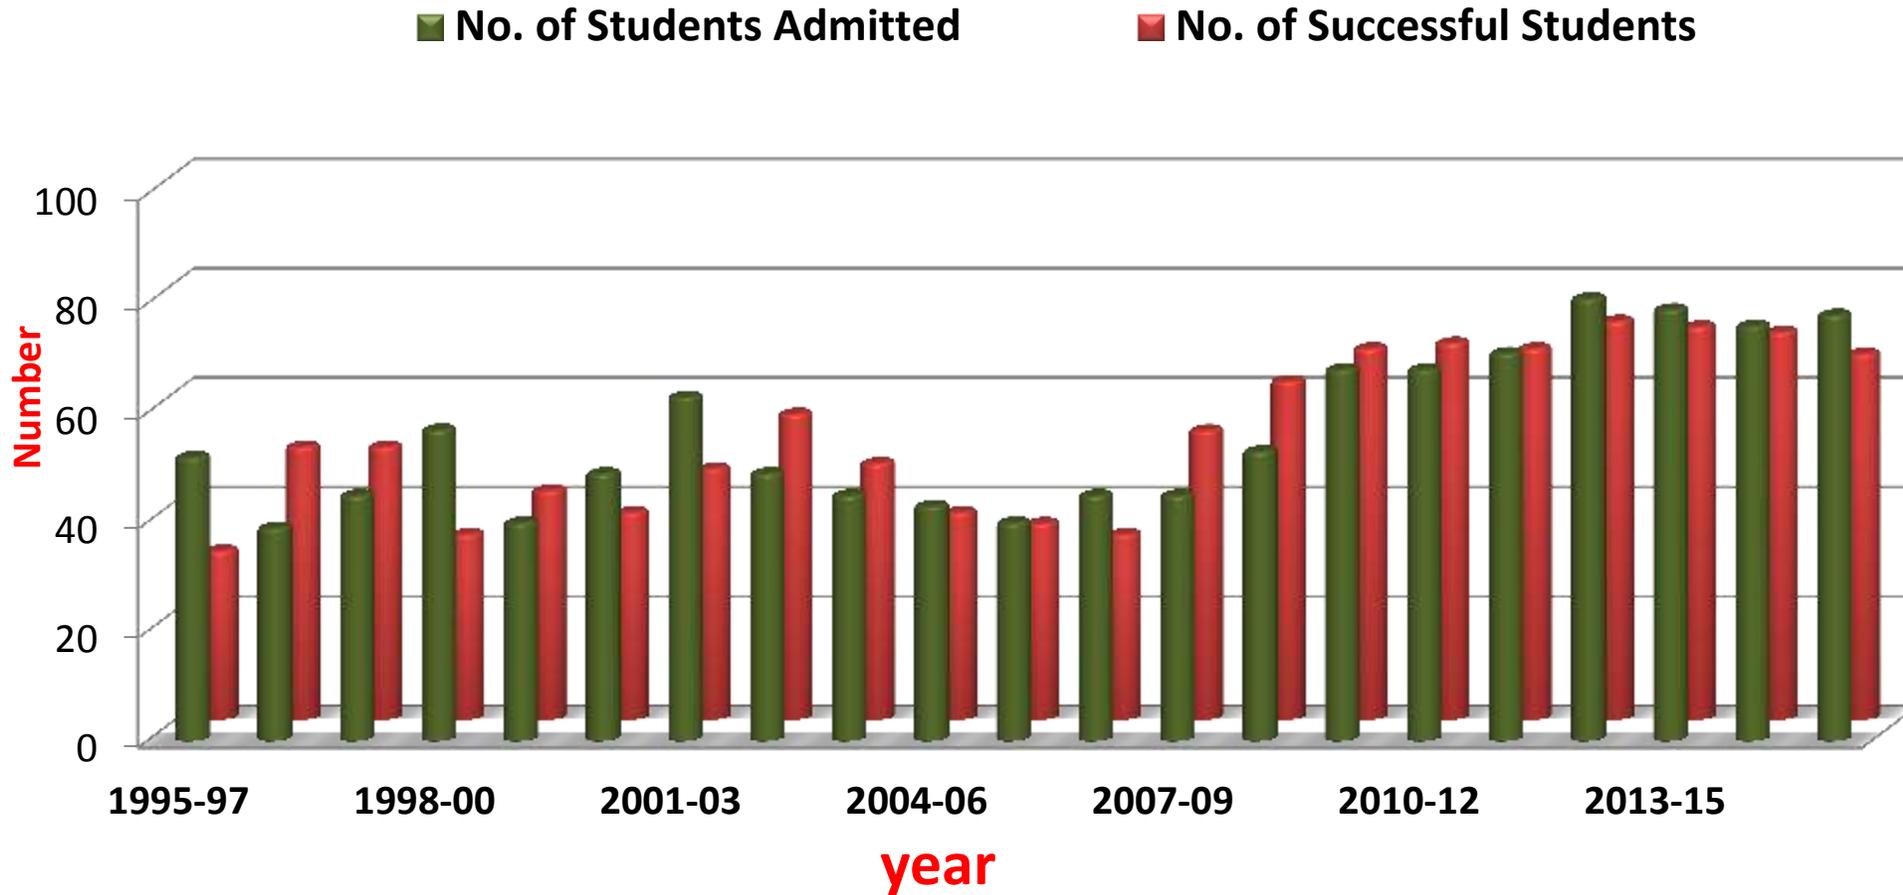

Successful Students =
271

Continuing =137

Discontinued= 353

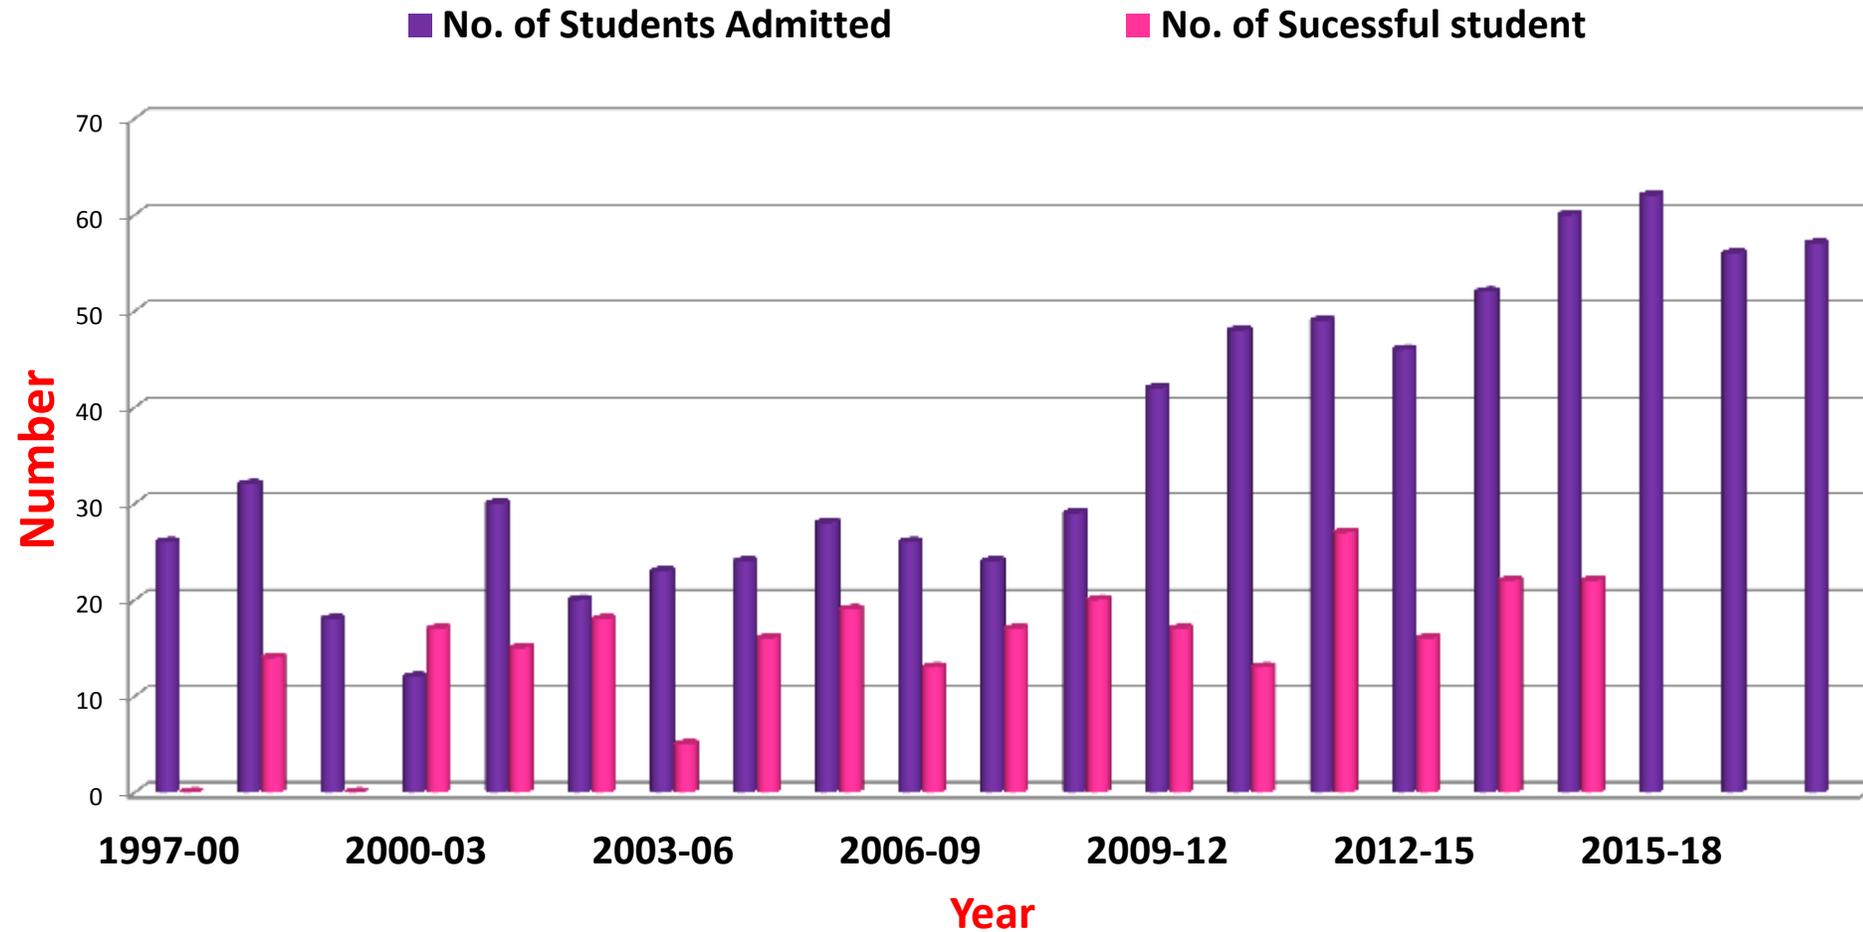

Expired = 3

M.F.Sc Students details :

Successful Students = 94.26%

Ph.D Students details :

Successful Students = 46%

Lev and Schwartz method (1999) - Measurement of Human Capital

$$V_r = \sum_{t=r}^T \frac{I(t)}{(1+r)^{t-r}}$$

Where,

V_r = Human capital value of a person T years old

$I(t)$ = Person's annual earning up to retirement

r = Discount rate specific to person

T = Retirement age

To valuate ICAR-CIFE student human resource capital in quantitative terms

Jobs – Categorised into

1. Banking services

2. Aqua Industry

3. Entrepreneurship

4. Krishi Vigyan Kendra

5. State Civil Service

7. General Universities

8. State Agricultural Universities – APs

8. Private Jobs (Outside Fisheries Sector)

9. Temporary researcher / Teaching Staffs

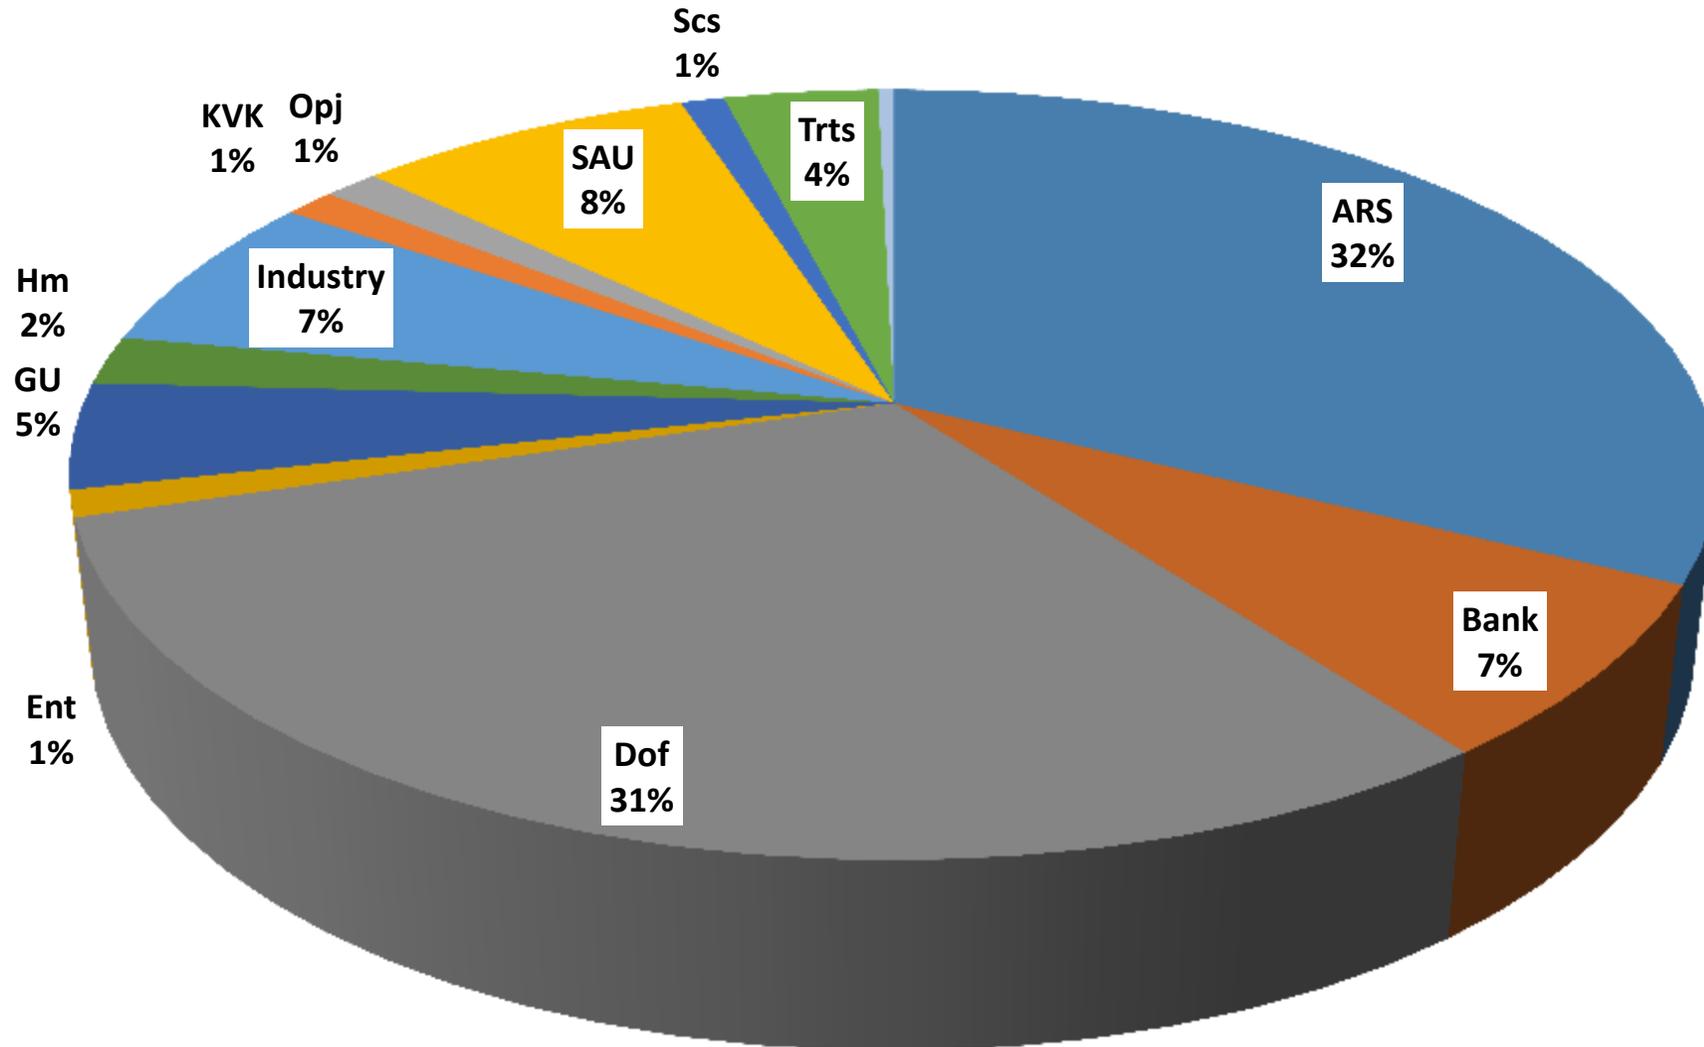

10. Jobs at Department of Fisheries

11. ICAR- Agricultural Research Service

Placement / Career Details (1995-2015)

| Sl. No. | Job Types | Frequency | Mean Monthly Salary (INR) |
|---------|---|------------|---------------------------|
| 1. | ICAR-ARS | 349 | 61,000 |
| 2. | Jobs at Department of Fisheries | 329 | 33,789 |
| 3. | State Agricultural Universities -APs | 85 | 56,200 |
| 4. | Banking services | 79 | 46,163 |
| 5. | Industry / Private Sector | 72 | 23,677 |
| 6. | General Universities | 48 | 39,479 |
| 7. | Temporary Research/ Teaching Staff | 39 | 22,744 |
| 8. | Private Jobs (outside fisheries sector) | 14 | 40,464 |
| 9. | Krishi Vigyan Kendra | 13 | 30,215 |
| 10. | Entrepreneurship | 12 | 51,167 |
| 11. | State Civil Service | 11 | 35,509 |

Placement details of students

Present Value of CIFE's Human Capital

Values in INR

| Sl. No. | Job Types | Value |
|---------|---|-------------------|
| 1. | ARS | 350,875.32 |
| 2. | Bank | 265,529.21 |
| 3. | Department of Fisheries | 194,356.50 |
| 4. | Entrepreneurship | 414,686.32 |
| 5. | General Universities | 227,086.31 |
| 6. | Industry | 136,192.21 |
| 7. | Krishi Vigyan Kendra | 173,800.53 |
| 8. | Private Jobs (outside fisheries sector) | 232,752.77 |
| 9. | State Agricultural Universities | 323,265.46 |
| 10. | State Civil Service | 204,250.22 |
| 11. | Temporary Research & Teaching Staff | 130,822.36 |

Investment on & Returns from CIFE's Human Capital (1995-2015)

Contribution of CIFE

Total Expenditure =
2.3 billion INR

Total Value of Students
= **12 billion INR**

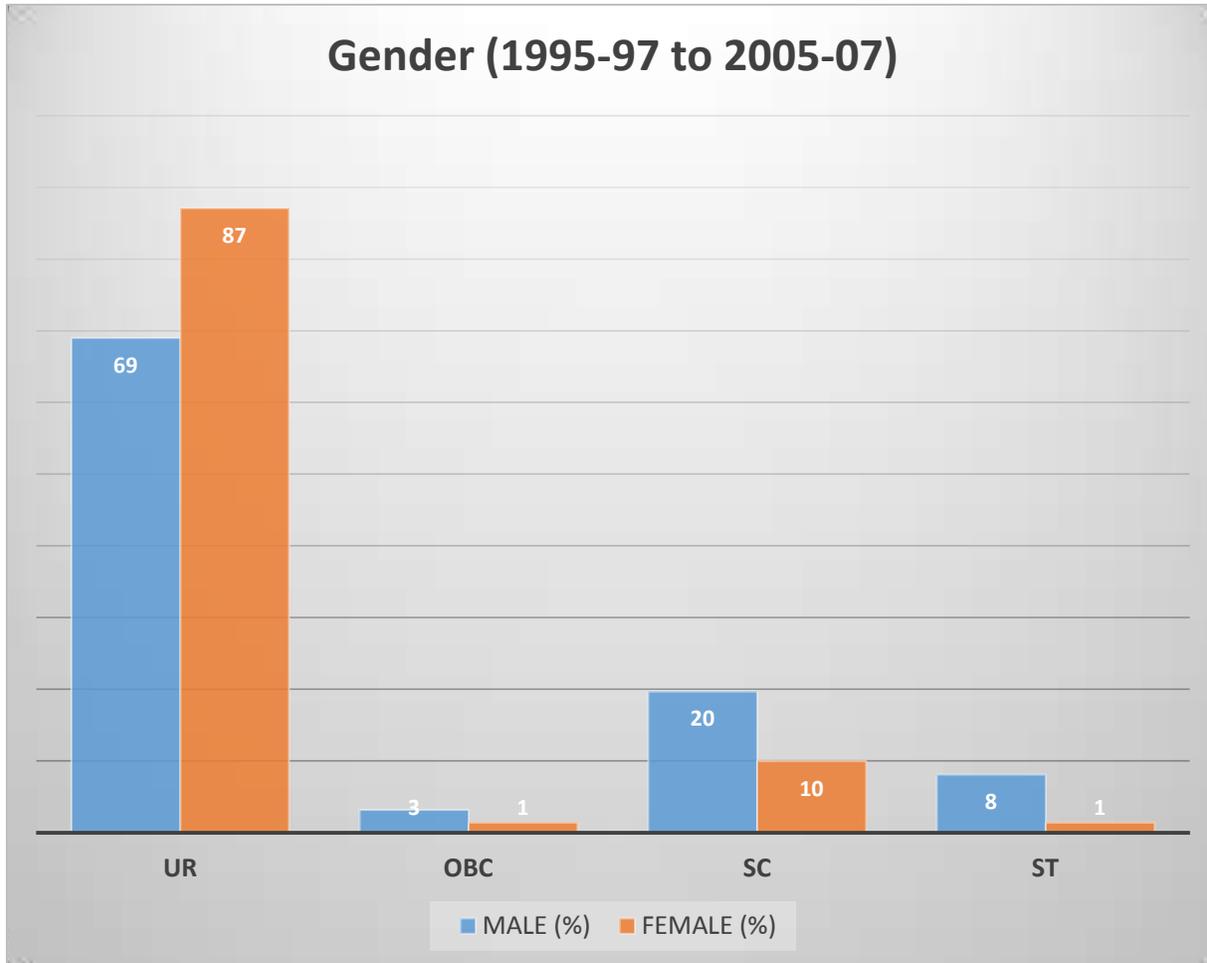

Service to nation (as profit) =
9.7 billion INR (*4.2 times the
investment*)

(values in INR)

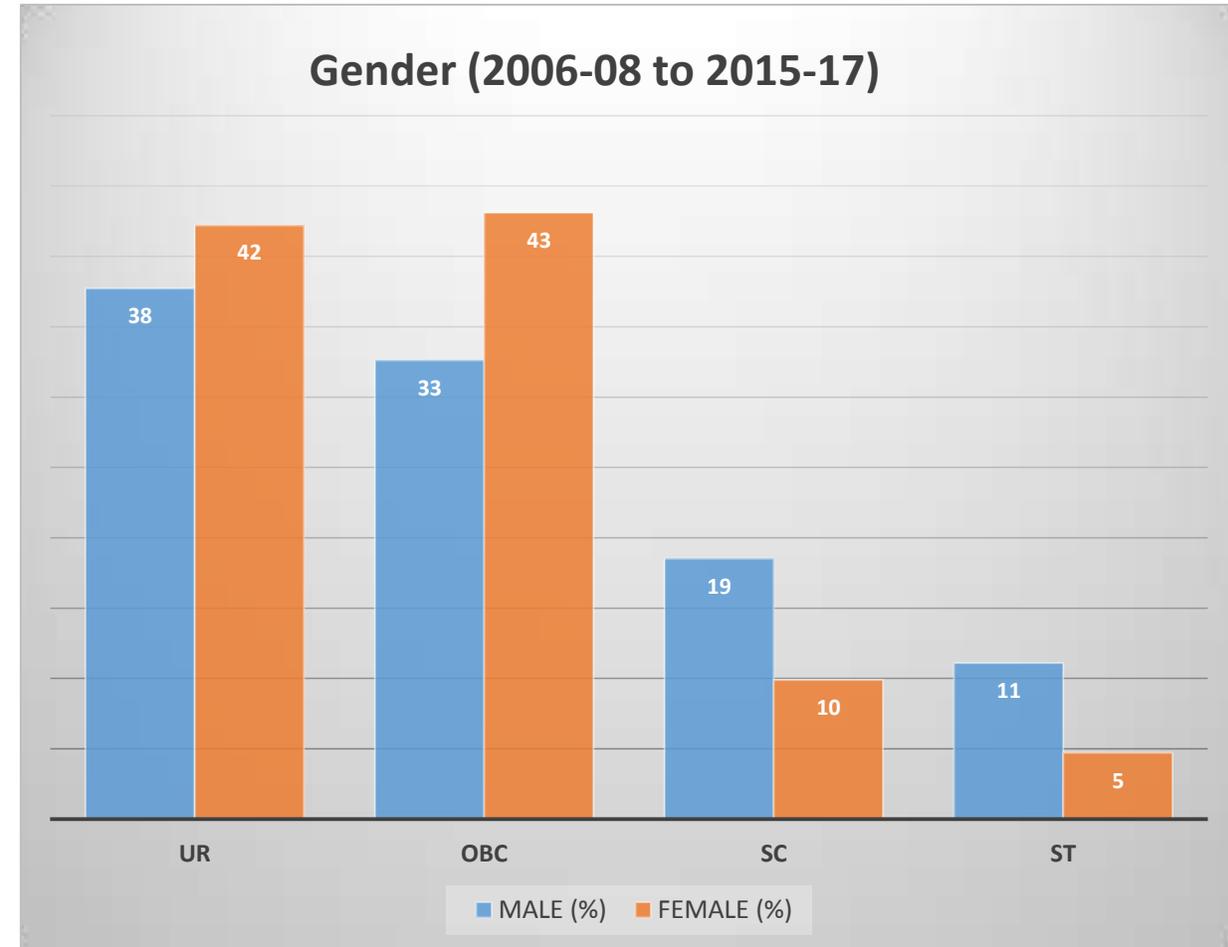

- After completion of MFSc from CIFE, students' minimum worth is **Rs. 2,41,238** (taking average value of all job categories)
- **Contribution of CIFE towards Fisheries HRD is 0.04 (10%), but if we consider only PG education, then its contribution would be as high as 34%.**
- Only 1% of passing students become entrepreneurs, though they earn much higher than other job categories i.e. Rs. 4,14,686 - ***Scope for Entrepreneurship***
- Negligible unemployment of CIFE graduates (<3%)
- ***The nation is getting 4.2 times the investment made on CIFE's students***
- ***Scope to increase no. of PG students and increase the investment especially Fellowship to attract bright students***
