## A Workshop 3 May 2013

### MAINSTREAMING GENDER IN THE NACA PROGRAMME

**Co-Chairs: Bodil Maal and Meryl J Williams**

How can the Network of Aquaculture Centres in Asia-Pacific (NACA) mainstream gender into its work program and what strategies can it develop to achieve this? As NACA approaches its 25<sup>th</sup> year and examines its future directions, this facilitated workshop will examine how this important regional inter-governmental body, comprised of the world's largest aquaculture producing countries, can address gender in its ongoing and planned programs and regional partnerships.
